Villa Reported Insane . . .
 NOGALES, Ariz., Dec. 2.—His fur-

ces defeated and scattered by the Carranza army of General Manuel

Diegues at Hermosillo, Francisco Villa, the outlawed Mexican leader, has gone insane, according to reports received here by General Alvaro Obregon, the Carranza military chief.

The report, based apparently on statements of prisoners, also says that Villa's present whereabouts are unknown.

BRITISH TAKE OVER AN AMERICAN STEAMER

HOCKING IS SEIZED WITHOUT FORMALITY OF A PRIZE COURT.

WASHINGTON, Dec. 3.—Official announcement that the American steamship Hocking had been requisitioned by the British government without the formality of prize-court proceedings, was received by the state department in a dispatch from Consul-General Young at Halifax, where the ship was being detained since she was seized by a British warship while on the way from New York to Norfolk.

This procedure will be vigorously contested by the United States government as being illegal and in violation of recognized rights under international law.

Department is Amazed. Officials of the department, who had been more or less skeptical regarding unofficial reports of the in-

tentions of Great Britain, expressed frank amazement when they learned that the Hocking actually had been requisitioned. The United States, it was said, will demand that the ship be retained in prize court and that the prize court will act promptly in the case.

Confirmation of unofficial reports regarding the action in the Hocking case led officials here to believe that Great Britain intends to take over for its own use other vessels of the fleet owned by the American-Trans-Atlantic company, if it has not done so already.

MANY CHILDREN HAVE WORMS

Worms are a common childhood ailment. They make children irritable, nervous and restless, besides robbing the body and mind of proper nourishment. Watch your child. Examine the stools and at first signs of worms give your child a treatment of Kickapoo Worm Killer. They kill the worms act as a laxative and expel the worms and poisonous waste. Tone the system and help restore your child's health and happy disposition. Only 25¢ at your druggist.—Adv.

Tests have shown that as little as one-quarter of 1 per cent of sugar will prevent cement setting, while 1 to 2 per cent will make it set quickly but later disintegrate.

THE GOOD JUDGE AND THE PRESIDENT OF THE GRANGE

GENTLEMEN, HISTORY RECORDS THE NAMES OF SOME MEN WHO DID MUCH FOR THEIR COUNTRY AND WHO ARE REVERENCED IN THE MINDS OF THOSE LIVING TO-DAY. LIKEWISE, HISTORY WILL RECORD THE NAME OF THE GOOD JUDGE, WHO HAS TOLD MEN OF W-B CUT TOBACCO. A SMALL CHEW, LASTS LONGER THAN A BIG CHEW OF ORDINARY TOBACCO.

NEARLY all W-B CUT users owe the comfort of W-B Chewing—the Real Tobacco Chew, new cut, long shred—to friends who told them about it. W-B CUT Chewing is rich tobacco—a small chew takes the place of a big of ordinary tobacco and it lasts. Get a pouch and give it a quality test.
